

# 1 DAY NFPA 70E TRAINING CLASS

The New NFPA 70E & 70B Editions are here and as expected, change is a constant theme. With both minor and major revisions and important reorganizations, it's critical your company is up to date with todays standards.

## YOUR PATHWAY TO BECOMING NFPA COMPLIANT!

THE NEW STANDARDS FOR ELECTRICAL SAFETY IN THE WORKPLACE & ELECTRICAL EQUIPMENT MAINTENANCE HAVE WHAT YOU NEED TO STAY SAFE!

## Class Overview

Each year electrical dangers in the workplace cause hundreds of deaths and thousands of injuries. NFPA 70E STANDARD FOR ELECTRICAL SAFETY IN THE WORKPLACE is the key to saving lives, reducing liability, and avoiding loss due to electrical incidents. Our clear, authoritative training and instruction class teaches you how to apply the newest edition of NFPA 70E to assess electrical risks and reduce employee exposure to potentially deadly hazards.

After completion of training, attendees will receive a "Certificate of Completion" and wallet card.

## Who Will Benefit

Electrical engineers, safety managers, electricians, plant managers, facility maintenance personnel, electrical inspectors, risk managers, mechanical engineers, installers, designers, project managers, and operations managers.
